# Director's Welcome

Welcome to the 2nd annual The Roar at San Luis Obispo High School. We are honored to be your host and welcome the 7 participating marching bands from our county and beyond.

At San Luis Obispo High School, our program is to the credit of all who are involved: staff, students, and our booster organization (SLOIMBA). I am proud to be a member of this staff and arts community. The hours of selfless devotion, practice, patience, performance, and fundraising are not taken for granted.

Current and former marching band members can tell you that the experience of performing in band goes beyond the physical skill of playing an instrument or spinning a flag. Performing in band helps develop the character traits that are necessary in today's world: determination, cooperation, collaboration, responsibility, and accountability. Most importantly, these lessons are learned while sharing our time with some of our closest friends. Together, we endure challenging rehearsals and celebrate at the pinnacle of performance.

We're so happy to have you here with us, to celebrate the competing bands. May you feel the excitement and enthusiasm from the field, and may you leave a little more uplifted than when you came in.

Thank you for supporting music in our community.

Sharon Jeskey, Band Director

"Home of the Tigers"

Thank you for joining us at San Luis Obispo High School for our second annual field tournament, THE ROAR.

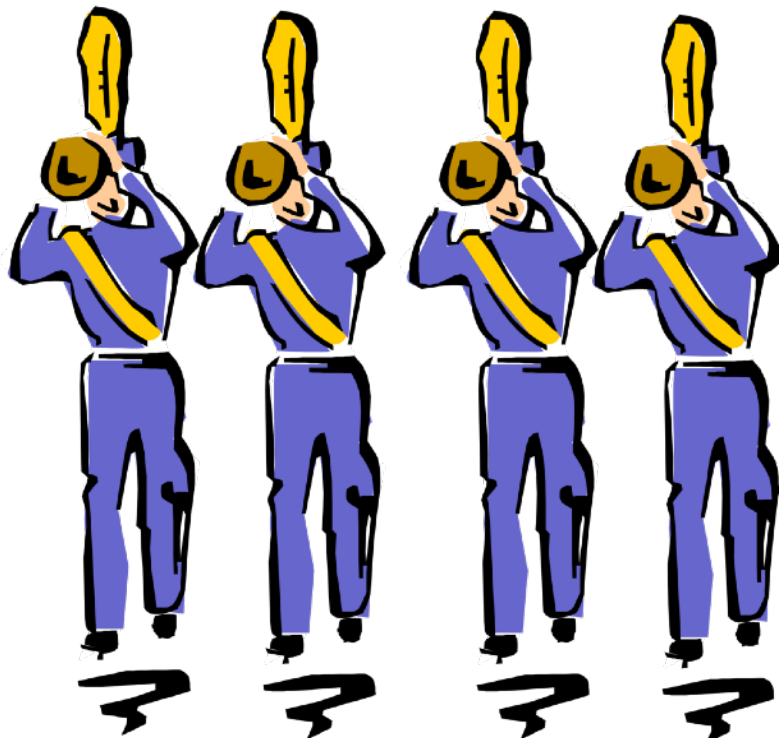

We love these opportunities to create community, to learn from each other, and to celebrate the outstanding achievement and effort of our students at the high school and college levels. As we know, our students' engagement in our band programs—and in the study and performance of music more generally—provide so many positive, empowering, and inspiring learning experiences for them.

We hope you enjoy the many performances this evening and being here at San Luis Obispo High School. We are proud of our students; our band director, Ms. Sharon Jeskey; and of the care we exhibit for our facilities and school community. We are proud to have you all here with us and appreciate your partnership.

Thank you!

Sincerely,

Rollin Dickinson  
Principal  
San Luis Obispo High School

# *Our Special Thanks*

The San Luis Obispo Instrumental Boosters Association (SLOIMBA), along with our Tournament Director, would like to send out a special thank you to all participating schools in our 2nd annual field show competition. They would also like to thank the teachers and staff of SLO High, their wonderful volunteers, and the parents and students that made this evening's event possible. Additionally, they would like to thank SLO Rep for allowing them to borrow costume accessories for their Drum Majors and Xiaoying Rong for all of her prop and signage help. Thank you, everyone, for supporting the San Luis Obispo High School Band and Color Guard and for keeping music an important part of the education system.

Air Grams are a message written to your favorite band student or band program that is read over the loud speaker. Don't miss your chance to send a shout out for just \$5! SLO High Band students will then run the message up to the announcer's booth and he'll read it, live, before or after the band performs. Pop over to the Air Gram table, across from concessions, and fill out the air gram form before they sell out! Air Grams are limited to 8 per school.

# Food, Drinks, and Snacks!

We are excited to have Old SLO BBQ as our featured food vendor this year! They will have a food truck on the track.
